## Welcome!

### *To The 2024-25 Season*

**We're thrilled to kick off a new bowling season across Alberta!**

As we embark on this exciting journey, we're introducing monthly newsletters to keep you in the loop about all the action—past, present, and future. We believe that clear communication has been a cornerstone of our success, and these updates will further enhance the value we bring to our community.

With 40 dedicated members, we're proud to be one of the strongest bowling communities in the country. Your commitment and passion are what make Alberta bowling a powerhouse, and we thank each of you for your invaluable contributions.

Let's make this season the best one yet!

**"In bowling and in life, if a person made the spares,  
the strikes would take care of themselves."**

**Stephen King**

## New!

### *Central Region*

To enhance tournament participation and provide more hosting opportunities, Bowl Alberta has introduced a new Central Region. This change is part of our commitment to better support our youth and their families.

#### **Introducing the New Regional Structure:**

**North Region:** Edmonton and up.

**Central Region:** Between Edmonton and Calgary.

**South Region:** Calgary and down.

This new structure aims to make it easier for more centers to host events and for participants to get involved. To find out which region your center is in, please visit [www.bowlab.ca](http://www.bowlab.ca) and log in.
