## FOSTERING COMMUNITY

### *Building Relationships: League Bowlers*

**Creating a vibrant bowling community starts with building strong relationships with your league bowlers, making them feel valued and connected to your center.**

Building strong relationships with league bowlers is key to creating a loyal community at your bowling center. Take time to get to know league members, greet them by name, and show genuine interest in their games. Small gestures, like celebrating milestones or high scores on a community board or social media, make bowlers feel valued and appreciated.

Consider hosting themed nights that align with holidays or popular events, such as holiday-themed nights or tournaments, to foster camaraderie and fun among bowlers—discounted food or beverages, pro-shop deals, or exclusive practice hours—to strengthen these bonds.

Encourage feedback and keep communication open with league coordinators. A welcoming, connected environment builds loyalty and makes your center the place they're excited to call home.

**“Bowling: where every roll is a chance to strike your dreams!”**

## New!

### *Celebrating Youth Bowlers*

We are excited to announce a partnership between Bowl Alberta and the Bradson Bowling Group to provide Youth Provincial Champion t-shirts for every competitor at the YBC 5-pin Singles Provincial Championship, YBC 5-pin Team Provincial Championship, and YBC 10-pin Singles Provincial Championship.

With over 500 shirts being produced, these shirts will serve as a proud reward for young bowlers to wear in front of their friends and family. This initiative celebrates their hard work and dedication while helping to raise the profile of bowling in Alberta. We hope to see bowling recognized as a top contender among other sports in the province!
